

GCPS Progress Report
January, 2021
By Diane Sterne

- Thank you to all our Members who renewed their memberships and a special thanks for those who sent “extra” with their fees! We greatly appreciate everyone’s support over the years and truly hope 2021 will be a healthier one that will allow us to get together and work on our projects.
- Thank you Todd Lester for posting the revised Christmas card on the Granite Creek Facebook page!
- Thank you Roy Roberts for donating some neat old Princeton postcards. I will put them up at the Cabin next spring when we are able to get back in.
