

GCPS Progress Report
July, 2022
By Diane Sterne

- There isn't a lot to report this month, but what I do have is very important news!
- Bob Sterne and I went up to the Granite Creek Cemetery. The people who worked on the fenced Holmes area did an amazing job!! They not only fixed the fences, but they also raked up rocks, etc. It looks great! Our thanks go out to them for their hard work – and I am sure it must have been REALLY HARD WORK with all the rocks!!!
- Speaking of hard work, Ray Boyd has created a new website for the Granite Creek Cemetery. You can view it here: <https://cemetery.granitecreekbc.ca/> The Cemetery site and GCPS main site are connected with links to each other. It is very professional! Ray did a fabulous job, and we are so grateful to him for his hard work and amazing web design skills. Thank you, Ray for creating this site for us. We are SO FORTUNATE to have you on our Team!!!
- We are planning to have our AGM in September since most people are busy over the summer months. Normally our AGM's are held in March. Hopefully in 2023, we can get back to that schedule.
- Financial Report: 21 paid members (4 members have not yet renewed). Current operating balance: \$2,926.94. \$800 of that is set aside for Ernie Rice for the picnic table he is building for the Delprato Cabin. \$100 paid to Ray Boyd for creating the Cemetery website. Bob Sterne received confirmation that the Cemetery is covered under our existing insurance policy. It was \$610 this year. Jackie of Auto Tac has quoted us approximately \$63.00 for the signs needed for the Cemetery. She is currently working on them.
