

GCPS Progress Report
June, 2023
By Diane Sterne

- Special thanks to our Webmaster, Ray Boyd!! He did a fantastic job on the front page of our GCPS website: <https://www.granitecreekbc.ca/> I decided to make my book, “White Gold and Black Diamonds” available online since I am no longer printing it. Ray was able to put it on the website and we have a small blurb on the front page asking people to donate to the GCPS if they enjoyed the book. Who knows – maybe we will get some extra money from this.

- Earlier this month, a “soft roaders” off-road group asked if we would take them in to see the Delprato Cabin. We did, and they all enjoyed seeing inside the Cabin and looking around the outside. They were a really great group of people. The next week, they stopped by and made a generous donation to the GCPS. Our thanks to them!

- Bob and I ordered a bench to place at the Valley View section of the Granite Creek Cemetery. It is perfect. Shortly after placing this bench, it went on sale, so I ordered another one for the Chinese section as the bench there is falling apart. Here are some photos of the Valley View bench in place:

- We still need to do work raking up the debris on the ground in the Valley View section. The orange tape indicates trees that must be removed from the area. The Cemetery still needs headstones swept, weed-eating inside and outside grave fences, and picking up trash. Anyone who does any of these jobs, please let me know how much time you spend so Bob can keep track of the volunteer hours in our records. Thank you!

- Financial Report: 20 paid members; current bank balance \$3,249.71; cash on hand \$55.00 (Soft-Riders donation); accounts payable to Ernie Rice (picnic table) and me (second cemetery bench) \$939.98. Balance is \$2,364.73
