

GCPS Progress Report

August, 2023

By Diane Sterne

- A warm welcome to Leah Ward, Scott McCarron, Greg Nesteroff (who discovered Frenchy's real name) and Dawn Tyacke (of the soft roader group) who are new members to the GCPS. Welcome to our group, Leah, Scott, Greg and Dawn!
- Thank you, Director Todd Lester, for posting about our group on various Facebook pages. This is what we need to encourage new members to join! We have more members now than we have ever had!
- The Soft Roaders were at it again. 😊 On the long weekend they asked to borrow the key to the Delprato Cabin so they could take members of their group in. Upon returning the key they also presented Bob with another GCPS donation. Thank you, Soft Roaders. We are glad that your group is enjoying exploring the area!!
- I added Frenchy (Wah Sing) to the FindaGrave site. I included his obituaries and photo. You can find it here:

- I'm sorry there isn't much to report this month. With all the wildfires and the dry conditions, we don't want to drive our ATV up to the Delprato Cabin to do any work. The Soft Roaders did take up some cold wood ashes Bob gave them and spread them around the outside of the cabin to deter mice. Mice don't like to cross wood ashes; however, rats will. Thank you, Soft Roaders, for helping with that for us!!
- Financial Report: 27 paid members; current bank balance \$3,563.56; cash on hand \$0; PayPal \$0; accounts payable to Ernie Rice when he gets the Delprato picnic table made and delivered \$800. Balance is \$2,763.56.
